Cover General

Instruction

These instructions are provided to help charter schools prepare the expenditure budget. Within the forms, blue font and light blue highlights indicate that an instruction is linked to that specific line. An instructions button has also been provided that links to any general instructions or to the first instruction for a page. The forms have been set to print without "objects" so that the instructions buttons do not print.

The cells in the prior year columns on the budget forms contain formulas that will bring forward budget amounts from the FY 2015 budget forms. However, the cells have not been protected so users may also enter the information manually. To bring forward amounts automatically, the most recently revised FY 2015 budget must be saved as budget15.xls in the C:\CSFORMS folder. If the file is not named budget15.xls, the formulas will not function properly. Excel will ask the user to update information when the budget16.xls file is opened. Users should review amounts reported in the prior year column to ensure they agree to the school's most recently revised FY 2015 budget.

Cover CTDS Number
This cell will only accept entries of 9 digits. Do not include any slashes, dashes, etc. Enter the school's CTD number plus 3 zeros.

Cover Version
All information on the cover page must be completed/updated when the proposed, adopted, or revised budget is printed out for the Governing Board to sign. All information, excluding the Revenue Information, must also be updated when the budget is revised.

The version of the budget being submitted on the cover page is formatted with a drop down menu. Select the appropriate choice from the menu: Proposed, Adopted, or Revised (including the revision number). Only choices in the menu may be entered in the cell.

Cover Estimated Revenues
Estimated revenues by source for FY 2016 should be based on the best information available at the time the budget is prepared. Estimated revenues may be more or less than estimated expenses.

1 General
Depreciation expense should not be reported on the budget forms. In addition, purchases of capital assets (land and land improvements, site improvements, buildings and building improvements, equipment, and construction in progress) should not be reported in the budget forms except in the Capital Acquisitions section of page 2.

The Student Success Project was repealed by Laws 2015, Ch. 15, §5. If schools have remaining monies in this project, they should be budgeted for in the Schoolwide Project. The prior year budgeted expenditures column is linked to the prior year budget forms. However, the cells are unlocked, allowing for Student Success Project adjustments.

1 Program 550

Schools should budget for K-3 Reading Program expenses in program code 550. Schools that are assigned a letter grade of C, D, or F, in accordance with A.R.S. §15-241 and Laws 2015, Ch. 76, §1, or that have more than 10% of their 3rd grade pupils reading far below the 3rd grade level according to the reading portion of the AIMS test, or a successor test, are not eligible to receive K-3 Reading monies until the school's K-3 Reading Program Plan has been approved by the State Board of Education. A.R.S. §15-211

1 Federal and State Projects, Line 38

1 Employee Benefits

Schools participating in the Arizona State Retirement System should budget in object code 6200 at the rate of 11.35% for retirement contributions and 0.12% for long term disability contributions for covered positions. 2 Federal and State Projects

Separate accountability is required for each federal and state project. Therefore, charter schools should estimate the expenses for each federal or state project in which the school participates. The totals on line 30 should agree with the total columns for federal and state projects on line 38 of page 1. A.R.S. §15-1261 requires charter schools to establish an E-rate Project to account for any E-rate funding received by the school. Monies budgeted for the E-rate Project should be included within the Other Federal Projects on line 16.

2 Capital Acquisitions

Enter the increase in the capital asset accounts (land and land improvements, site improvements, buildings and building improvements, equipment, and construction in progress) for assets to be acquired by purchase, lease purchase, or construction.

If the school budgets for capital acquisitions related to the K-3 Reading Program, the increase in the capital asset accounts for those acquisitions should be included by asset type on lines 1 through 5. The total of all capital acquisitions for the K-3 Reading Program should also be reported on line 7.
